

LOUNGE AROUND | 3-SEATER

Lounge Around is a multifunctional, flexible sofa designed to be the centrepiece of your living room. After a busy day, it's the perfect place to lie back, relax and recharge.

With pillows, backrests and cushions that can change positions, the Lounge Around is completely customizable and flexible and can be adjusted to fit all settings or situations, making it perfect in all living rooms, bedrooms, and guest rooms – large as well as small. It is also ideal for use in a summer house, as a hotel daybed or as a couch in a reception area or waiting room.

One of the narrow seat cushions has a thin tray on the reverse side, allowing you to set aside your coffee or laptop.

The upholstery for the Lounge Around collection is interchangeable, meaning that as time, trends, or needs change, you can add new life to the design and your interior simply by changing the upholstery.

Lounge Around is available in three different variants in oak and dark oak. Inspired by Nordic nature, the 100% recycled and certified Horizons textile for Lounge Around is available in four colours; sugar brown, white sands, sterling and shadow – designed to create a feeling of tranquillity in your home.

At UIMAGE, we care about everyone we influence. We make functional and timeless designs that last, we optimise storage and transportation costs with flat-packed designs, to make luxury accessible to you. The aim is to save the environment so that you can save on living.
